CONF021221

MEMO TO: Registration Service, Boy Scouts of America
FROM: Richard L. Kelley, SE Chief Cornstalk Council, BSA
SUBJECT: Meeting with Edker Kincaid
DATE: 21 November, 1988

On Friday, November 18, 1988, I, ~~accompanied~~ by Mr. Harry Hunter, Council Commissioner, visited Edker Kincaid for the purpose of informing him of registration refusal.

We arrived at the place of Mr. Kincaid's employment, the Welch Job Service, at approximately 1:45 PM. I identified myself and Mr. Hunter and asked Mr. Kincaid if there was a place that we could speak privately. He replied that there was and showed us to a conference room. As soon as we were seated, Mr. Kincaid stated that he had reconsidered his decision to register and stated that "we should just take him off the list". I informed him that there had been an allegation concerning him and in the best interests of Scouting we were refusing his registration. He stated that he thought that the allegation had "been cleared up". I handed him the letter (copy attached) and he read it. I stated that this action was confidential, that we were not making an accusation, but that the allegation led us to believe that his actions did not meet our standards for membership. I informed him that it was our desire for him to stop Scouting activity.

I informed him that he had the right to seek review of this decision. I handed him a copy of the review procedures (copy attached). He stated that he had no intention of seeking a review.

At this point he thanked us for coming to see him and we left.

Dear Mr. Kincaid:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

Okey McCormick, Jr.

CONF021224

November 17, 1988

Upon certain information and belief I affirm that the following facts are true. [REDACTED] was getting dressed for an Order of the Arrow Ceremony. It was late afternoon on Saturday. As he sat on the edge of a bunk he alledged that Ed Kincaid came from over his right shoulder and suddenly without warning thrust the weight of his body upon [REDACTED] as he attempted to run his hand and arm into [REDACTED] pants in the area of his penis and attempted to molest him.

Where upon [REDACTED] immediately left the back room of the Castle in a self described state of disbelief while demonstrating great anguish. He quickly told another boy leader of the incident and the two boys came to me and portrayed the above facts.

I then gathered the associate Lay-Advisor and the professional Advisor, Jim Veckers and Rick Lechlitter respectfully, and related the incident as it was told to me.

At that point we brought the boy involved and the boy leader he first approached with the story of the incident and had them to very carefully relate the incident in detail again.

The adults decided that for the remainder of the weekend we would not allow the alledged perpetrator to be alone with a boy or adult.

I advised Mr. Lechlitter to call T.V. Hall who was then the Camping Chairman for the Council and ask him to come to camp as he was appraised of the situation by phone. Also it was determined that they should then call the Council Attorney Doug Whitten.

Later that evening acting on the advice of the Council Attorney. Mr. Lechlitter and Mr. Hall confronted Mr. Kincaid with the charges the boy had made. The object at that point was to treat the whole matter as a simple assault until we could determine further.

Let me stress at this point that the boy was creditable and believeable throughout the matter.

When confronted Mr. Kincaid denied everything.

Later that night he approached the boy in an assembly and told him he was sorry and the matter was all a misunderstanding. Just the fact that Mr. Kincaid approached the boy infuriated him. He immediately came to "heatedly" tell me to keep Mr. Kincaid away from him. I forthwith left to find Mr. Kincaid but he had departed the assembly. I ask Mr. Vickers to accompany the boy and counsel with him.

The boy passionately pleaded with us not to relate the incident to his mother because he did not want to concern her with the

CONF021225

matter as she was a single parent and he was concerned with the worries and pressures she had at that time.

We told him we had to tell her and tried to explain it to him as best we could that we were morally and legally bound to do so.

The fact that we must inform her disturbed the boy. He said "Do you have to?". We tried to explain again. He said "Would it make any difference if I was 18 years old?" I said, "It could, why?" He produced his valid W.V. Drivers License showing his age to be 18. At that point we respected his wishes and did not relate the incident further.
